IV. Read the following text and do the task below.

Caroline was at school in a small, quiet town in England. She was sixteen, and her mother and father were poor, and their house was very small. Ann was Caroline's friend. Caroline said, "Ann, I am going to find a very rich man and I am going to marry him. Then I am going to have a beautiful house and a large garden and a lot of clothes and a lot of money, «Caroline went to London and then to America where she found a man she wanted to marry. Some years later she came back to England and invited her friend Ann. Of course she wanted to boast about her life. She said, "Ann, I've married a very rich man. I've got a beautiful house and a large garden. My husband has got a plane and flies it! Ann said, "A lot of people have got planes and fly them." "But my husband does it in his house!" Boast – хвастать

True or false.

1. Caroline wanted to work in her small town.
2. Caroline went to London and then to Europe to find a husband.
3. Caroline saw Ann in England again.
4. Caroline married a very rich man.
5. Caroline's parents lived in a big beautiful house.

6. Caroline found her husband in the USA.

Test 1. 1 четверть

Ex. 1 Read the text and statements below the text. Mark them as true (T) or false (F). —

The London Bus

The first London Bus started service on July 4, 1829. However it was only a horse and carriage for about 20 people. Its route was from Paddington Station to Bank, and it was an instant success. The first double-decker buses (Picture 1) appeared in public in 1850, and London is now famous for them. By 1901 there were more than 3,500 horse-and-carriage buses on the streets. The first motorized buses came out in 1904, and they were extremely successful. In fact ten years later there were no horse-pulled buses. Now all the buses have diesel engines.

- 1 The first London bus went from Paddington Station to Bank.
- 2 The first double-decker buses were motorised.
- 3 In 1914 all buses were motorised.
- 4 London transport introduced the Routemaster bus in 1965.
- 5 There are no Routemaster buses in London now.
- 6 Bus passengers in London buy their ticket before they get on the bus.
- 7 You can see three types of buses in London today.

1. If you know the answer, you'll/will win the game.
2. If my mother calls, we'll/will tell her about our plans.
3. If you go by plane, it'll/will be faster than by train.
4. Our friends'll/will visit us, if we invite them.

Test 2. 2 четверть

Ex. 1 Read the following statements, then read the text and match its paragraphs with the statements. There is one extra statement.

1. Studying is very important for Chinese students.
2. Students stay in their classrooms for lunch.
3. Students have all the classes in the same classroom.
4. Maths and English are students' favourite classes.
5. Homework does not take too much time.
6. Chinese schools have their own typical features.

A In China education plays a very important role. Schools in China are very much like schools in Europe or America. There are, however, some differences. — Образования в Китае играет очень важную роль. Школы в Китае очень похожи на школы в Европе или Америке. Есть, однако, некоторые различия.

B There are usually about 45 students in a classroom. Students stay in the same classrooms for all subjects, teachers travel from classroom to classroom to teach their subjects. Starting from the third grade, each subject is taught by a teacher who specialises only in that subject.

C School hours are from 8 a.m. to 4 p.m. Students have 10-minute breaks in between 40-minute classes. At noontime the students eat lunch, which is prepared by school kitchen staff and brought to their classrooms.

D Chinese schools do not generally give much homework. Most students can complete it in about one hour, after that they do extracurricular activities. Extracurricular activities for many students include weekend classes. The majority of kids prepare for the Olympiads in maths and English in their extracurricular weekend classes.

E The Chinese hold learning and education in the highest regard. Even when in hospital, they would do homework while receiving treatment. Teachers say that though children are smarter

and more confident today, there is always room for improvement. Today students need to be taught discipline and teamwork.

Ex. 2 Complete the sentences using the words in brackets in the correct form. Mind the word order.

An Ideal Young Man

I live in a big city in an apartment block. I also have a country house, where I 1 _____ (spend) my weekends. I usually go to my country house by car. But once I 2 _____ (travel) by train. I 3 _____ (read) a book but soon got bored. At one of the stations a woman got into the train and took a seat next to me. She was about thirty-five years old. She 4 _____ (look) at me and smiled. We 5 _____ (start) talking. The woman 6 told me that she had a husband and a son. "Does your son smoke?" I asked. "No, he 7 _____ (smoke)," answered the woman. "Good, tobacco is bad for one's health," I said. "Does your son come home late at night?" was my next question. "No, he 8 _____ (come) home late at night," answered the woman. Test 3. 3 четверть

Ex. 1 Read the text and the statements below it. Mark them as true (T), false (F) or not stated (NS).

Clockwork Radio

Do you know what a clockwork radio is? Clockwork radio appeared in 1994 thanks to British inventor Trevor Baylis.

Trevor realised that many people in Africa were cut off from the outside world. In Europe and North America people could get information and entertainment by radio, television and the Internet. But many homes in African countries had no electricity.

- 1 In 1990s many people in Africa had difficulty getting information about the rest of the world.
- 2 At that time batteries in Africa were cheap and easy to find.
- 3 The radio that Trevor Baylis invented was mechanical.
- 4 Trevor Baylis wanted to make a lot of money, so he invented the clockwork radio.
- 5 The first clockwork radio was very big.
- 6 For the clockwork radio to work, you had to wind it up every forty minutes.
- 7 Trevor Baylis collected clocks.
- 8 If you bought 100 radios, you got 13 radios free.
9. Trevor Baylis's invention helped people in some African countries.
10. The clockwork radio is called "Baylis".

Ex. 2 Circle the correct form of the verb denoting a future action.

I think more people will live in the countryside in future. 2. Tomorrow we're moving to a new house in the countryside. 3. Don't worry! I'm coming to help you at the week-end. 4. I'll find a part-time job some day. 5. I'm leaving for Dublin in two days. I've just bought the ticket.

Ex. 3 Add question tags to these sentences.

1. Your friend's name is Mary Stuart, ____
2. She lives in London now, ____
3. She used to live in the countryside, ____
4. Mary has lived in London for 3 years already, ____
5. She doesn't like London, ____
6. She would prefer to move back to the country, ____

Ex. 4 Read the text and complete the sentences with the derivatives formed from the words given in capitals in the right column.

Colour use favour interest love science read excit

I like reading illustrated magazines. "Friend" is the title of my 1 ____ magazine. It has a lot of 2 ____ pictures and provides ____ 3 information for people who love animals. The magazine

6. SCIENCE My father is a

4. Прочитай текст и отметь правильный ответ А, В, С.

Penguins

There are seventeen different kinds of penguins that live in the seas in oceans around the equator and south of it. Some live near the Atlantic, others live on some islands near South America, southern Africa, Australia and New Zealand. They all belong to the bird family. They can swim very well, but they can't fly.

The Galapagos penguin lives in the waters of the Galapagos Islands near South America. It is very small. It is about 45 cm tall, and weights about 2.5 kg. Its body is black and white with black wings of flippers. On its black head there is a thin white line, which runs from its throat up to its eyes. Its bill (another word for beak), is black, pink and yellow. The penguin's legs are very short.

Galapagos penguins eat small fish. They live up small fish. They live up twenty years. There are now only about 1,000 pairs of Galapagos penguins in the world.

1. Penguins belong to the fish family. A Right B Wrong C Doesn't say
